The Apollo is a premium quality open roll folding arm awning featuring stylish European design and features. The Apollo provides shade, will cool your home and allows you to extend your outdoor living and entertaining space.

Suitable for wider widths, the Apollo units can be joined together to achieve spans up to 12m, and features mounting flexibility through the use of a square back bar.

The Apollo is available with a hood profile or the option of a semi-cassette and also features the optional drop arm bracket allowing the awning to project out further than its width making it perfect for small courtyards and limited space.

Motorised or manual operation available.

Standard colours are Textura® White, Surfmist, Dune, Silver, Jasper, Monument, Primrose, Paperbark, Woodland Grey, Ironstone, Deep Ocean and Black.

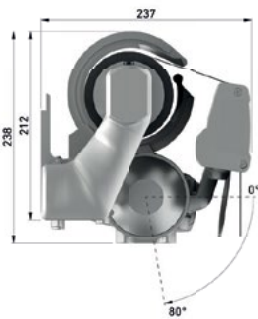

Please note: colours are to be used as a guide only.

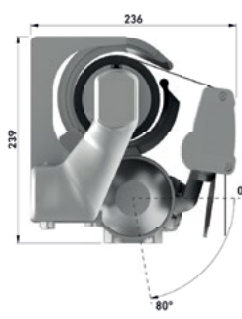

LED lighting is available with the Apollo - Optional extra
 Create an atmosphere of sophistication and extend your entertaining well into the night thanks to the option of LED lighting in the arms of the Apollo.

User pitch control - Optional extra
 Give your customer the option of being able to adjust the pitch of their Apollo to suit the sun conditions.
